Five blank sheets ready to print: animal register, mating and lambing, vaccinations and treatments, weights and feed, expenses and sales. Use them to start, and move your records to Throf as the herd grows so reports and reminders come automatically.

Keep your herd in Throf, not in notebooks

Throf records every animal by number and colour tag, tracks mating, lambing, vaccinations, weights, expenses and sales, and works out cost per head and net profit. Free for small herds.

throf.com

Animal register

Tag no.	Colour	Sex	Breed	Birth date	Mother	Father	Weight	Notes

Copy the page when it is full, or log the same data in Throf so the reports are worked out for you.
